Homecoming 2017 1970's Decade Honored

1976 Chorus

University School Homecoming 2017 will be on **Friday, December 8th**, when our Bucs take on KACHEA at Brooks Gym on the ETSU Campus.

A special invitation is extended to all alumni who attended or graduated from University High during the 1970's. We would like to welcome you home for the Homecoming games with free admission for all 1970's alumni.

We will have a special Hospitality Room set up in Brooks Gym, with light refreshments, from 5:30-7:30 p.m., where you can meet up with former classmates and reconnect. Also, during half-time of our Varsity Girls' Basketball game, we will be asking all of you to come to the floor and be recognized as our special guests.

The **schedule** for the evening is as follows:
3:30—Junior Varsity Girls game
4:45—Junior Varsity Boys game
6:00—Varsity Girls game at 6:00
6:30—**1970's Alumni Recognition during half-time, approximately 6:30 p.m.**
7:15—Homecoming Court Presentation
8:00—Varsity Boys game

(Top to Bottom, Left to Right) Jim Torrid, Brian Darling, David Wilkie, Scott Johnson, Kerry Kemp, David Fisher, James Press, Jeff Bell, Marty Kelly, James Miller, Melissa Sigars, Steve ...

Do you have some special memories that you would like to share with our students? How about updates on your family or career? Any "words of wisdom" that you can pass on? RSVP/Email to Usalumni@etsu.edu. We will be reading the memories, facts, and updates throughout the games. We are looking forward to seeing you! Welcome Home, Bucs!

From the Director's Desk...

Hello Bucs Family-

It is the most wonderful time of the year for several reasons. The air is crisp as the temperature is falling. Leaves are painting beautiful scenes everywhere you look. Basketball is starting up and that means Homecoming is just around the corner. And that means we have the opportunity to meet some of our alumni! We will be honoring the graduates from the 1970's, but all are welcome. Please plan on joining us as we celebrate **YOU**. Go Bucs!

David Spuith, Editor

When asked to describe the University School, what was the first thought that came to mind? Did you begin to picture the school as a place of learning, a place of fun, a place of challenge, or a place of opportunity? Or did you think of the school as a place of...? Or did you think of the school as a place of...?

Perhaps, however, the most accurate description of the University School is that it is a place where the students, teachers, and staff are all committed to the same goal: to provide the best possible education for every student.

Remember the classroom material to a certain extent, the teachers at the University School not only taught the students to learn, they also inspired them to learn. The teachers were not just teachers, they were mentors, and they were the best of the best.
