* Audience Standing

Dear Class of 2021,

In the blink of an eye, Commencement has arrived. Today represents a milestone moment in your life as you, your faculty, your family, your friends join together to celebrate the culmination of your hard work and dedication over the past several years. This event also marks the beginning of a new journey in your life – a journey that no matter where it takes you, whether it is into the workforce or continuing your education, will be enhanced by your experiences at ETSU.

On this day, I encourage you to take a moment to reflect upon the journey that led you to the Commencement stage. Your hard work and persistence paved the way for you to achieve this dream. Undoubtedly, your journey also has been enhanced through the support and encouragement of someone close to you: your family members, your classmates, and your loved ones, many of whom are seated in the audience today to celebrate your success. Please remember today to say “thank you” for their ongoing support as you begin this new chapter in your life.

I also encourage you to show your gratitude to the faculty and staff who have stood with you throughout this journey. The ETSU community is so proud of your accomplishments, and we cannot wait to see the many things you will undoubtedly accomplish. I hope you will stay engaged with your alma mater and the National Alumni Association. Also, we invite you to return to campus to take in a performance at the Martin Center for the Arts, cheer for the Bucs at an athletic event, attend Homecoming, or simply walk through our beautiful grounds. This place will always be a place you can call home.

You have achieved the dream of a college degree. Share that dream with others and talk with them about the importance of higher education. It is through the power of higher education that we can make the greatest difference in the world.

Congratulations on this outstanding accomplishment.
Godspeed and go Bucs!

Brian Noland

Ms. Gayle Conelly Manchin

Federal Co-Chair
Appalachian Regional Commission

Ms. Gayle Conelly Manchin was sworn in as the Appalachian Regional Commission's thirteenth federal co-chair on May 6, 2021, becoming the first ARC federal co-chair from West Virginia. Nominated by President Biden, Manchin works directly with ARC's 13 member governors, their state alternates and program managers, and a network of local development districts to continue to build community capacity and strengthen economic growth throughout Appalachia.

An alumna of West Virginia University, Manchin worked as an educator in Marion County Schools, served on the faculty of Fairmont State University, and was the director of the university's first Community Service Learning Program. She directed the AmeriCorps Promise Fellows in West Virginia between 2000-2004 and implemented a statewide initiative, WV Partnerships to Assure Student Success. Manchin previously served as West Virginia's First Lady between 2005-2010 and was appointed to serve as a member of the State Board of Education, serving her last two years as president. She was the chair of the Board for Reconnecting McDowell, Inc., an AFT initiative serving rural West Virginia, is a past president of the Vandalia Rotary Club of Charleston, and was an emeritus member of The Education Alliance. She also served as cabinet secretary for the West Virginia Office of Education and the Arts.

Manchin's top priorities as ARC federal co-chair are to support the creation of economic opportunities in the Appalachian Region, improve broadband access and critical infrastructure in Appalachian communities, and address the region's opioid crisis.

Dr. Sean Fox

Instructor and Laboratory Coordinator,
ETSU Department of Health Sciences

Dr. Sean Fox is a lecturer and microbiology laboratory coordinator in the Department of Health Sciences in the College of Public Health. This past August, he was the recipient of the Distinguished Faculty Award for Teaching, the highest honor bestowed upon an ETSU faculty member.

Dr. Fox's nomination for the award was initiated by two independent students who collected more than 20 letters of recommendation from previous and current students detailing their enthusiastic support. Student letters spoke of Dr. Fox's sincerity and enthusiasm and described him as a valuable mentor who helped to guide them both professionally and personally during difficult times.

One faculty member described his teaching style as "very capable but absolutely unassuming, successful but absolutely non-self-promoting, an astute observer but absolutely uncritical of others."

Dr. Fox joined the ETSU faculty as a lecturer in June 2013. He received his B.S. in forensic sciences/molecular biology from Virginia Commonwealth University in 2007 and his Ph.D. in biomedical sciences – microbiology, from ETSU in 2013.

He carries one of the largest teaching loads in the College of Public Health. These courses include Introduction to Microbiology Lecture and Laboratory, Human Genetics, Health Care Simulation I, General Microbiology Lecture and Laboratory, Biomedical Techniques, and Supervised Teaching. Dr. Fox also teaches courses for the Master's and Ph.D. Biomedical Science graduate programs and is committed to going outside the traditional classroom to instruct and guide students in basic science research.

Graduating Students Receiving Army Commissions

Three cadets in the Army ROTC Program at East Tennessee State University took the oath of office during a special ceremony and were commissioned as second lieutenants. The new officers will serve in various branches upon graduation from ETSU.

Academic Regalia

The three academic degrees generally recognized are the bachelor's, the master's and the doctor's. The name of each degree seems to have been determined by medieval university custom. The bachelor's degree, the baccalaureate, takes its name directly from the medieval practice of "bachelors" wearing a garland of bayberries. The master's degree was equivalent to a license to teach, and sometimes was followed by the express words *Licentia Docendi*. The doctor's degree was originally a title of respect and a recognition of great learning. Today the doctor's degree indicates advanced study and independent research in a specialized field of learning, whereas honorary degrees are granted for meritorious service and for distinction in public or private endeavor. In the medieval university, students and teachers wore gowns indicating their status and scholastic achievement.

In 1895, an intercollegiate commission drafted a uniform code for the use of academic caps, gowns and hoods in the United States. This code is followed by approximately 95 percent of all colleges and universities. In 1932 and 1935 the American Council on Education reviewed and refined the American academic costume.

Those holding a bachelor's degree traditionally wear a gown of worsted material, fastened at the top, and distinguished by long pointed sleeves hanging nearly to the knees. The master's gown, worn open, is made either of worsted or silk, and has long closed sleeves with an arc appearing near the bottom and a slit for the arm near the middle of the sleeves. The doctor's gown, also worn open, is made of silk, faced with a broad strip of velvet, and has three bars of velvet on each sleeve.

A hood may be worn with the gown and is made of the same material. The master's hood is three and one-half feet long, faced with a three-inch strip of velvet; the doctor's hood is four feet long, faced with a five-inch strip of velvet. The color of the tassel or the velvet strip on the hood indicates the field of study in which the degree was earned or granted, as for example: Agriculture – Maize; Arts, Letters, Humanities – White; Commerce, Accountancy, Business – Drab; Dentistry – Lilac; Economics – Copper; Education – Light Blue; Engineering – Orange; Fine Arts including Architecture – Brown; Forestry – Russet; Journalism – Crimson; Law – Purple; Library Science – Lemon; Medicine – Green; Music – Pink; Nursing – Apricot; Oratory (Speech) – Silver Gray; Pharmacy – Olive Green; Philosophy – Dark Blue; Physical Education – Sage Green; Physical Therapy – Teal; Public Administration including Foreign Service – Peacock Blue; Public Health – Salmon Pink; Science – Golden Yellow; Social Work – Citron; Theology – Scarlet; Veterinary Science – Gray.

The appropriate cap for all degrees is the familiar "mortarboard." A tassel, displaying the color signifying the field of specialization, hanging to the left of the face, is appropriate for all degrees. Those holding a doctor's degree may wear a soft velvet cap of the color indicating their field of study, or with the "mortarboard" may wear a tassel in whole or in part of gold thread.

The Presidential Medallion – The presidential medallion is the traditional symbol of office worn at official functions. The design features a torch symbolizing learning; a wreath, symbol of victory, while the star ruby symbolizes excellence.

The Mace – The East Tennessee State University mace is an organic design in forged silver with an ebony handle. The form gives a circular impression, referring to the medieval concept of a heavy armor-breaking club yet losing its warlike appearance by becoming less solid and a more decorative symbol of the university as it encompasses global thinking. A central staff radiates the thrust of the rhythmical branches of the tree of knowledge; the heavier branches representing the well-established disciplines and the more delicate ones the beginnings and growth of the new.

The Flag – The flag of East Tennessee State University is of simple conception, yet representative of the rich heritage of the area and the aspirations of the university.

Academic Honors

Students wearing a medallion on a colored ribbon are graduating with honors as follows:

White ribbon - cum laude (3.50 – 3.64 GPA)

Yellow ribbon - magna cum laude (3.65 – 3.84 GPA)

Blue ribbon - summa cum laude (3.85 – 4.00 GPA)

National Honor Societies

Alpha Epsilon Delta

Purple and red cords signify membership in Alpha Epsilon Delta, the national health pre-professional honor society dedicated to the encouragement and recognition of excellence in pre-professional health scholarship.

Alpha Sigma Lambda

The Star-Spangled Banner

Oh say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

Alma Mater

In the shadow of the mountains,
Under skies of blue,
Stands our dear old Alma Mater,
Glorious to view.
Sound the chorus, speed it onward;
Thee we'll never fail!
Hail to thee, our Alma Mater —
Hail to thee, all hail!

In thy halls we formed our friendships,
Dear old college home;
And to thee we pledge our hearts,
Wherever we may roam.
Sound the chorus, speed it onward;
Thee we'll never fail!
Hail to thee, our Alma Mater —
Hail to thee, all hail!
