* Audience Standing

Dear Class of 2022,

Today represents a milestone moment in your life as you, your faculty, your family, and your friends join together to celebrate the culmination of your hard work and dedication over the past several years. This event also marks the beginning of a new journey in your life –a journey that no matter where it takes you, whether it is into the workforce or continuing your education, will be enhanced by your experiences at ETSU. I encourage you to take a moment to reflect upon the journey that led you to the Commencement stage. Your hard work and persistence paved the way for you to achieve this dream. Undoubtedly, your journey also has been enhanced through the

support and encouragement of someone close to you: your family members, your classmates, and your loved ones, many of whom are seated in the audience today to celebrate your success. Please remember today to say “thank you” for their ongoing support as you begin this new chapter in your life. I also encourage you to show your gratitude to the faculty and staff who have stood with you throughout this journey. The ETSU community is so proud of your accomplishments, and we cannot wait to see the many things you will achieve. I hope you will stay engaged with your alma mater and the National Alumni Association. Also, we invite you to return to campus to take in a performance at the Martin Center for the Arts, cheer for the Bucs at an athletic event, attend Homecoming, or simply walk through our beautiful grounds. This place will always be a place you can call home. You have achieved the dream of a college degree. Share that dream with others and talk with them about the importance of higher education. It is through the power of higher education that we can make the greatest difference in the world.

Godspeed and go Bucs!

A handwritten signature in dark ink, appearing to read "B. Noland". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Dr. Cerrone Foster

Associate Professor, Department of Biological Sciences
ETSU College of Arts and Sciences

Dr. Cerrone Foster, a scientist teaching at East Tennessee State University for more than a decade, is the recipient of the university's Distinguished Faculty Award in Teaching. It is the highest teaching honor that ETSU presents to a faculty member.

"I have been nothing but inspired by Cerrone's passion to contribute to the ETSU community, not only through her teaching but also through a diverse number of activities including research mentorship and community service," wrote a fellow faculty member and Foster's nominator.

Foster earned a bachelor's degree in biology from The College of New Jersey in 2001 and a Ph.D. in Biomedical Sciences from ETSU in 2007.

Hired initially as a lecturer in the Department of Biological Sciences, Foster is now a tenured faculty member and the interim director for Undergraduate Research and Creative Activities. Over the last 11 years, Foster has taught nearly 6,000 ETSU students, averaging about 550 per year.

Foster's teaching motto is straightforward: "What you are learning is not for you. One day you will make decisions that affect the lives of others. Therefore, my job is to help you become prepared in doing this."

Foster teaches a wide range of courses, including introductory biology and senior-level classes in biochemistry. She has received teaching grants to redesign and implement evidence-based teaching practices in the classroom. Foster's impact on teaching includes not only higher education but also projects with K-12 secondary education.

"Dr. Cerrone Foster is a beacon of hope to many ... especially to women of color, first-generation college students, and anyone who is intimidated to pursue STEM (science, technology, engineering, and math) fields," Foster's nominator added.

As Foster continues to lead students at ETSU, she is anchored by a guiding principle.

"Just as important – perhaps more important – than the content I teach is my training students to go out and be positive change agents in the world," she said. "If they have all this knowledge but no desire to bring change, then I fear our efforts were just futile."

Mr. Larry D. Thornton, Sr.

Entrepreneur, Artist, and Author

Mr. Larry D. Thornton, Sr., is President and owner of Thornton Enterprises, Inc., a McDonald's franchisee.

He serves on the boards of directors for Coca-Cola Bottling Company United, Inc.; Federal Reserve Bank of Atlanta - Birmingham Branch; The Alabama Institute for Deaf and Blind Foundation; Freshwater Landtrust; Birmingham Botanical Gardens; and First Commercial Bank (Synovus). He is primarily known as a businessman and artist; however, in April of 2019, he released his first book, *Why Not Win?*, a reflection on his 50-year journey from the Jim Crow South to America's boardrooms and the lessons he learned.

Since the book's publication, the Why Not Win Institute, a leadership and professional development initiative, has launched and been delivered at Clemson University, Auburn University, Texas A&M University, University of

Alabama, Fisk University, Alabama A&M University, and Alabama State University.

Mr. Thornton was born in Montgomery, Alabama, and graduated from Alabama State University with a Bachelor of Science degree in Fine Arts. He taught fine arts at Vestavia Hills High School and subsequently joined Birmingham Coca-Cola, where he served as advertising manager and director of business development. He received the Moss A. Kendrix Award, a national distinction presented by Coca-Cola USA for excellence in community relations.

He has served many community organizations, including A.G. Gaston Boys' Club (board of directors), Big Brothers Big Sisters (board of directors and volunteer), Girls Inc. (board of directors and past president), United Way of Central Alabama, United Negro College Fund (chairman, 1995), Birmingham Museum of Art (board of directors), Community Foundation of Greater Birmingham, and Vulcan Park Foundation (board of directors).

Mr. Thornton is a past president of the Kiwanis Club of Vulcan and was named Kiwanian of the Year in 1988 and 1992, as well as State Kiwanian of the Year in 1993. He was elected in 1994 as Lieutenant Governor of the Alabama State District of Kiwanis. He is a current member of Birmingham Downtown Kiwanis Club, the largest Kiwanis chapter in the world, and served as the 2020 President. He is a graduate of Project Corporate Leadership Class, Leadership Birmingham, and Leadership Alabama.

He served as advertising and marketing representative for McDonald's Corporation's National Marketing in the area of the African American Consumer Markets and Media Budget. In 2013 he was appointed by the Governor of Alabama to the board of trustees of his alma mater, Alabama State University, and was elected chairman of the board in 2014.

In addition, Mr. Thornton continues to produce limited- and open-edition art. Some of the proud owners of pieces from his collection include Oprah Winfrey, former U.S. Secretary of State Condoleezza Rice, and Don Thompson, President of McDonald's Corporation Worldwide.

Academic Regalia

The three academic degrees generally recognized are the bachelor's, the master's and the doctor's. The name of each degree seems to have been determined by medieval university custom. The bachelor's degree, the baccalaureate, takes its name directly from the medieval practice of "bachelors" wearing a garland of bayberries. The master's degree was equivalent to a license to teach, and sometimes was followed by the express words *Licentia Docendi*. The doctor's degree was originally a title of respect and a recognition of great learning. Today the doctor's degree indicates advanced study and independent research in a specialized field of learning, whereas honorary degrees are granted for meritorious service and for distinction in public or private endeavor. In the medieval university, students and teachers wore gowns indicating their status and scholastic achievement.

In 1895, an intercollegiate commission drafted a uniform code for the use of academic caps, gowns and hoods in the United States. This code is followed by approximately 95 percent of all colleges and universities. In 1932 and 1935 the American Council on Education reviewed and refined the American academic costume.

Those holding a bachelor's degree traditionally wear a gown of worsted material, fastened at the top, and distinguished by long pointed sleeves hanging nearly to the knees. The master's gown, worn open, is made either of worsted or silk, and has long closed sleeves with an arc appearing near the bottom and a slit for the arm near the middle of the sleeves. The doctor's gown, also worn open, is made of silk, faced with a broad strip of velvet, and has three bars of velvet on each sleeve.

A hood may be worn with the gown and is made of the same material. The master's hood is three and one-half feet long, faced with a three-inch strip of velvet; the doctor's hood is four feet long, faced with a five-inch strip of velvet. The color of the tassel or the velvet strip on the hood indicates the field of study in which the degree was earned or granted, as for example: Agriculture – Maize; Arts, Letters, Humanities – White; Commerce, Accountancy, Business – Drab; Dentistry – Lilac; Economics – Copper; Education – Light Blue; Engineering – Orange; Fine Arts including Architecture – Brown; Forestry – Russet; Journalism – Crimson; Law – Purple; Library Science – Lemon; Medicine – Green; Music – Pink; Nursing – Apricot; Oratory (Speech) – Silver Gray; Pharmacy – Olive Green; Philosophy – Dark Blue; Physical Education – Sage Green; Physical Therapy – Teal; Public Administration including Foreign Service – Peacock Blue; Public Health – Salmon Pink; Science – Golden Yellow; Social Work – Citron; Theology – Scarlet; Veterinary Science – Gray.

The appropriate cap for all degrees is the familiar "mortarboard." A tassel, displaying the color signifying the field of specialization, hanging to the left of the face, is appropriate for all degrees. Those holding a doctor's degree may wear a soft velvet cap of the color indicating their field of study, or with the "mortarboard" may wear a tassel in whole or in part of gold thread.

The Presidential Medallion – The presidential medallion is the traditional symbol of office worn at official functions. The design features a torch symbolizing learning; a wreath, symbol of victory, while the star ruby symbolizes excellence.

The Mace – The East Tennessee State University mace is an organic design in forged silver with an ebony handle. The form gives a circular impression, referring to the medieval concept of a heavy armor-breaking club yet losing its warlike appearance by becoming less solid and a more decorative symbol of the university as it encompasses global thinking. A central staff radiates the thrust of the rhythmical branches of the tree of knowledge; the heavier branches representing the well-established disciplines and the more delicate ones the beginnings and growth of the new.

The Flag – The flag of East Tennessee State University is of simple conception, yet representative of the rich heritage of the area and the aspirations of the university.

Academic Honors

Students wearing a medallion on a colored ribbon are graduating with honors as follows:

White ribbon - cum laude (3.50 – 3.64 GPA)

Yellow ribbon - magna cum laude (3.65 – 3.84 GPA)

Blue ribbon - summa cum laude (3.85 – 4.00 GPA)

National Honor Societies

Alpha Epsilon Delta

Purple and red cords signify membership in Alpha Epsilon Delta, the national health pre-professional honor society dedicated to the encouragement and recognition of excellence in pre-professional health scholarship.

Alpha Sigma Lambda

The cream colored stoles with deep burgundy and antique gold embroidery signify the credo "First in Scholarship and Leadership." Membership in the Zeta Tau chapter of Alpha Sigma Lambda represents the premier national honor society for nontraditional students.

Delta Alpha Pi International

The blue and gold cords signify the participation in the Psi chapter of Delta Alpha Pi, which honors high achieving students with disabilities.

Gamma Beta Phi

The gold sashes signify membership in the Gamma Beta Phi Honor Society, which emphasizes service, scholarship, and character.

Gamma Sigma Alpha

The cords of red and gold signify membership in Gamma Sigma Alpha and a commitment to leadership, academic achievement, and excellence as core values of fraternities and sororities.

Golden Key International Honour Society

The Golden Key medallion is a round 2" gold sandblast finished medallion with the GK logo attached by a royal blue and gold 30" neck ribbon. The honor stole is a beautiful rich gold satin embroidered material with the GK logo in royal blue. The honor cords have double strands of intertwined royal blue and gold cords with a GK charm attached. The Golden Key regalia signifies membership in the Golden Key International Honour Society and the pillars of academics, leadership, and service for which the society was founded.

Omicron Delta Kappa

The sky blue, black, and white intertwined honor cords signify membership in Omicron Delta Kappa, the national leadership honor society which recognizes juniors, seniors, and graduate students who exhibit excellence in one or more of the following areas: scholarship, athletics, community service, campus governance, involvement in student organizations/publications, or the performing arts.

Phi Kappa Phi

The blue, gold, and white medallions signify membership in the National Honor Society of Phi Kappa Phi, which recognizes and encourages superior scholarship in all academic disciplines.

Phi Sigma Pi

The purple and gold sashes signify membership in Phi Sigma Pi, a national co-ed honor fraternity. The fraternity's purpose is to bring together some of the brightest and most motivated students on campus and work together in a spirit of excellence to encourage the three ideals of scholarship, leadership, and fellowship.

The Star-Spangled Banner

Oh say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

Alma Mater

In the shadow of the mountains,
Under skies of blue,
Stands our dear old Alma Mater,
Glorious to view.
Sound the chorus, speed it onward;
Thee we'll never fail!
Hail to thee, our Alma Mater—
Hail to thee, all hail!

In thy halls we formed our friendships,
Dear old college home;
And to thee we pledge our hearts,
Wherever we may roam.
Sound the chorus, speed it onward;
Thee we'll never fail!
Hail to thee, our Alma Mater—
Hail to thee, all hail!
