Committee Year End Report
2021-2022

Committee: Campus Sustainability Fee Committee
Committee Chair: Erica Malpass, Sustainability Coordinator

Please include the following (as applicable) to the Committee's work this academic year.

Action items from this year:
Reviewed 16 Campus Sustainability Fee proposals for the 2021-2022 academic year. Voted to fund 6 of the 16 proposals submitted. Projects included LED lighting upgrades for 5 rooms at ETSU Kingsport Allandale Campus, LED lighting upgrades at Lyle House, LED lighting upgrades in all common hallways of Warf-Pickel, funding for the Department of Sustainability Graduate Assistant position, funding for marketing and promotion of events for the Department of Sustainability and EcoNuts, and LED lighting upgrade to the Appalachian Studies Multipurpose Room (Nicks Hall, Rm 225). The approved projects totaled over $73,000 in sustainability related projects on ETSU's campuses.

Pending Issues or Action:

Pending Action: This academic year we changed to a once yearly acceptance of proposals, once in the Fall semester instead of twice a year (once in the Fall and once in the Spring). This will allow us to track the spending of funds more easily. We also hope this allows for projects to be started and completed sooner within the academic year that the proposal is for.

Recommendations (i.e. restructuring, membership, charge, future work, etc.):

Currently exploring restructuring the committee makeup and updating the charge and requirements of the Committee.

Membership needs (any unfilled positions that still need to be filled) and any specific criteria members need to meet:

There are various staff/faculty and students positions that are currently unfilled. Once we determine the committee makeup and update the requirements and charge we will be advertising for applications for new committee members.

Please check as applicable:

- ☐ Volunteer form for anyone on the committee who is not an ETSU employee has been submitted to HR
- ☒ Reviewed the charge of the committee with the Committee members
- ☒ There is a continuing need for this Committee
- ☐ Recommend sunsetting this committee (please provide a written justification)
- ☐ Membership roster for the next academic year is attached.*

* We will use this to update the roster on the Committee's website.
