East Tennessee State University  
Board of Trustees

Dear Graduates of the Class of 2024,

On behalf of the East Tennessee State University Board of Trustees, I extend to you our warmest and most enthusiastic congratulations! Today is a monumental day, a culmination of your tireless

efforts, and a testament to your unwavering dedication. You have navigated challenges and overcome obstacles, emerging stronger and wiser, and for that, we applaud you.

Your journey at ETSU has been a journey of hard work, growth, and personal discovery. You have dedicated years to your education, and your perseverance has brought you to this significant milestone. It's an accomplishment worth celebrating.

As you move forward, I encourage you to maintain a commitment to lifelong learning. The knowledge and skills you've gained here are the building blocks of your future success. Keep your minds open to new perspectives and continue to learn from others; this will enrich your personal and professional life. These are some of the insights and skills that I learned

when I attended ETSU Quillen College of Medicine, and these lessons and my experience here changed my life forever.

Now the future lies squarely in your hands, and it is a future brimming with opportunities. Take the knowledge you have gained, the understanding of the world and of yourselves, and use them to craft the life you have always dreamed of living. Be the change you wish to see in this wondrous world.

We are grateful that you chose ETSU as your academic home, and you will always have a place in our ETSU family. We look forward to welcoming you back to campus someday to hear about your achievements and experiences.

In closing, let me reiterate our heartfelt congratulations to the Class of 2024. We are immensely proud of your accomplishments, and we have no doubt that you will continue to shine as you venture into your future. Embrace it with confidence, courage, and determination!

Warmest regards,

President  
Student Government Association

Dear Graduating Class of 2024,

You did it! All your sacrifices, late nights, and those 11:59 p.m. deadlines have led you to this moment. On behalf of the entire student body, let me offer my congratulations on your remarkable achievement.

As this chapter of your ETSU experience comes to an end, I hope you are able to reflect on everything that has brought you to this point. I hope you have found a community that has had your back every step of the way. I hope the lessons you have learned here, both in and out of the classroom, will serve as a guiding light as you navigate the path ahead.

As SGA President, I have had the privilege of witnessing the impact you've made on our campus. Your commitment to improving the student experience has been truly inspiring. You have

formed and participated in student organizations, conducted research, and established yourself as a scholar in your field. You have left a lasting legacy.

Your walk across this stage today does not signal an end but, rather, a beginning. You are the author of this incredible next chapter of your life. Though challenges likely await you, they will serve as mere footnotes to the story you will write for yourself.

I know that you will carry the Buccaneer spirit onward as you pursue new opportunities and leave a mark in the region and beyond. Thank you for serving as an example for me and countless other ETSU students. Congratulations on your graduation, and I wish you tremendous success and happiness in the years to come.

All my best, and Go Bucs!

*Dr. Brian Noland*

President  
East Tennessee State University

Dear Class of 2024,

In the blink of an eye, Commencement has arrived. Today represents a milestone moment in your life as you, your faculty, your family, and your friends join together to celebrate the culmination of your hard work and dedication over the past several years. This event also marks the beginning of a new journey in your life – a journey that no matter where it takes you, whether it is into the workforce or continuing your education, will be enhanced by your experiences at ETSU.

On this day, I encourage you to take a moment to reflect upon the journey that led you to the Commencement stage. Your hard work and persistence paved the way for you to achieve this dream. Undoubtedly, your journey also has been enhanced through the support and encouragement of someone close to you: your family members, your classmates, and your loved ones, many of whom are seated in the audience today to celebrate your success. Please remember today to say “thank you” for their ongoing support as you begin this new chapter in your life.

I also encourage you to show your gratitude to the faculty and staff who have stood with you throughout this journey. The ETSU community is so proud of you, and we cannot wait to see the many things you will accomplish. I hope you will stay engaged with your alma mater and the National Alumni Association. Also, we invite you to return to campus to take in a performance at the Martin Center for the Arts, cheer for the Bucs at an athletics event, attend Homecoming, or simply walk through our beautiful grounds. This campus will always be a place you can call home.

You have achieved the dream of a college degree. Share that dream with others and talk with them about the importance of higher education. It is through the power of higher education that we can make the greatest difference in the world.

Congratulations on this outstanding accomplishment. Godspeed and go Bucs!

A handwritten signature in black ink that reads "B. Noland". The signature is fluid and cursive, with a large initial "B" and a stylized "Noland".

# Academic Regalia

The three academic degrees generally recognized are the bachelor's, the master's and the doctor's. The name of each degree seems to have been determined by medieval university custom. The bachelor's degree, the baccalaureate, takes its name directly from the medieval practice of "bachelors" wearing a garland of bayberries. The master's degree was equivalent to a license to teach, and sometimes was followed by the express words *Licentia Docendi*. The doctor's degree was originally a title of respect and a recognition of great learning. Today the doctor's degree indicates advanced study and independent research in a specialized field of learning, whereas honorary degrees are granted for meritorious service and for distinction in public or private endeavor. In the medieval university, students and teachers wore gowns indicating their status and scholastic achievement.

In 1895, an intercollegiate commission drafted a uniform code for the use of academic caps, gowns and hoods in the United States. This code is followed by approximately 95 percent of all colleges and universities. In 1932 and 1935 the American Council on Education reviewed and refined the American academic costume.

Those holding a bachelor's degree traditionally wear a gown of worsted material, fastened at the top, and distinguished by long pointed sleeves hanging nearly to the knees. The master's gown, worn open, is made either of worsted or silk, and has long closed sleeves with an arc appearing near the bottom and a slit for the arm near the middle of the sleeves. The doctor's gown, also worn open, is made of silk, faced with a broad strip of velvet, and has three bars of velvet on each sleeve.

A hood may be worn with the gown and is made of the same material. The master's hood is three and one-half feet long, faced with a three-inch strip of velvet; the doctor's hood is four feet long, faced with a five-inch strip of velvet. The color of the tassel or the velvet strip on the hood indicates the field of study in which the degree was earned or granted, as for example: Agriculture – Maize; Arts, Letters, Humanities – White; Commerce, Accountancy, Business – Drab; Dentistry – Lilac; Economics – Copper; Education – Light Blue; Engineering – Orange; Fine Arts including Architecture – Brown; Forestry – Russet; Journalism – Crimson; Law – Purple; Library Science – Lemon; Medicine – Green; Music – Pink; Nursing – Apricot; Oratory (Speech) – Silver Gray; Pharmacy – Olive Green; Philosophy – Dark Blue; Physical Education – Sage Green; Physical Therapy – Teal; Public Administration including Foreign Service – Peacock Blue; Public Health – Salmon Pink; Science – Golden Yellow; Social Work – Citron; Theology – Scarlet; Veterinary Science – Gray.

The appropriate cap for all degrees is the familiar "mortarboard." A tassel, displaying the color signifying the field of specialization, hanging to the left of the face, is appropriate for all degrees. Those holding a doctor's degree may wear a soft velvet cap of the color indicating their field of study, or with the "mortarboard" may wear a tassel in whole or in part of gold thread.

**The Presidential Medallion** – The presidential medallion is the traditional symbol of office worn at official functions. The design features a torch symbolizing learning; a wreath, symbol of victory, while the star ruby symbolizes excellence.

**The Mace** – The East Tennessee State University mace is an organic design in forged silver with an ebony handle. The form gives a circular impression, referring to the medieval concept of a heavy armor-breaking club yet losing its warlike appearance by becoming less solid and a more decorative symbol of the university as it encompasses global thinking. A central staff radiates the thrust of the rhythmical branches of the tree of knowledge; the heavier branches representing the well-established disciplines and the more delicate ones the beginnings and growth of the new.

**The Flag** – The flag of East Tennessee State University is of simple conception, yet representative of the rich heritage of the area and the aspirations of the university.

White ribbon - cum laude (3.50 – 3.64 GPA)

## The Star-Spangled Banner

---

Oh say, can you see, by the dawn's early light,  
What so proudly we hailed at the twilight's last gleaming?  
Whose broad stripes and bright stars through the perilous fight,  
O'er the ramparts we watched, were so gallantly streaming?  
And the rockets' red glare, the bombs bursting in air,  
Gave proof through the night that our flag was still there.  
Oh say does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?

## Alma Mater

---

In the shadow of the mountains,  
Under skies of blue,  
Stands our dear old Alma Mater,  
Glorious to view.  
Sound the chorus, speed it onward;  
Thee we'll never fail!  
Hail to thee, our Alma Mater—  
Hail to thee, all hail!

In thy halls we formed our friendships,  
Dear old college home;  
And to thee we pledge our hearts,  
Wherever we may roam.  
Sound the chorus, speed it onward;  
Thee we'll never fail!  
Hail to thee, our Alma Mater—  
Hail to thee, all hail!
