Was there to provide an update and answer any questions regarding alcohol sell on ETSU campus and athletic games. They are working toward having alcoholic beverages for sporting events and proposals are being drafted. The proposal includes:

- 1) Alcohol sales at Freedom Hall have been approved and will be available for basketball games. They are looking to see if the license and opportunity is given to begin selling on November 5th. They have a contract with a new concessionaire.
- 2) Alcohol sales at baseball games. The season starts in February. Training and licenses need to be done for campus as well.

3) Potential alcohol sales at the major concert at Greene Stadium for the spring.

4) Alcohol sales at football games pending for fall 2022. Need to get all relevant training and licenses.

“We’re going to do it, but we’re going to do it the right way.”-- McGahey
