Total	<u>598,640.00</u>	<u>678,740.00</u>	<u>1,277,380.00</u>

Narrative:

Revenue derived from the dedicated fee for Digital Media will be used in 2016-2017 to purchase hardware (including but not restricted to computer replacement and upgrades), specialized software (purchase, lease and upgrades) and associated maintenance contract costs. Resources will be used to support faculty enrichment activities, support of faculty salaries, student advisement, and other student support services. To qualify for use of the fees, expenditures must be supportive of undergraduate and/or graduate programs preparing students to enter high-tech digital media careers. All fees are dedicated for use by the Digital Media Program, and they will be expended to implement an approved program submitted by the dean. The plan reflects priorities established by the dean and department through an established protocol and calendar involving Digital Media faculty.

Certification:

I certify that the specialized academic fees collected were used to enhance, not supplant, the budget of the designated academic program.

Total	<u>5,847,360.00</u>	<u>1,021,090.00</u>	<u>6,868,450.00</u>

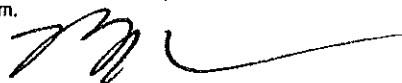

Narrative:

Revenue derived from the dedicated fee for Business will be used in 2016-2017 to pursue strategies that clearly emerged from the AACSB accreditation standards, from college goals and from the last AACSB peer review. All the fees are dedicated for use to support graduate and undergraduate programming in Business, and they will be expended to implement an approval plan submitted by the dean.

Activities identified for support by the fees in 2016-2017 include: Faculty enrichment activities, support of faculty salaries, student advisement, and other student support services; enhancement of office furniture and fixtures in business student instructional facilities, student related services and laboratories; purchase of databases and library support; purchase of ancillary instructional materials (e.g. Business Week); hardware and library support; hardware replacement; acquisition of software, support of research and accreditation activities; general support for accreditation preparation; salary support and associated benefits for a career counselor; student organization competition and travel; faculty travel and development (e.g. Internal Research Development Grants and Instructional Development Grants supporting the development of online and hybrid courses); internationalization of the curriculum (e.g. student and faculty travel support and instructional development support); assurance of learning activities. Additional support will be provided for graduate assistance and tuition scholars; development of web-site and marketing materials and temporary instruction.

Certification:

I certify that the specialized academic fees collected were used to enhance, not supplant, the budget of the designated academic program.
