II. Action Items

- a. Approval of Minutes from [August 4, 2020](#)

Karen King call for motion to accept and approve the August meeting minutes as posted. David Linville moved for approval, with a with by Bill Hemphill.

- b. Computer Idle Time – Karen King

Karen King discussed proposal to implement computer locking after 15 minutes of inactivity for information security purposes. This would remove the ability to change the default setting, except on any computers granted an exception. Sensitive situations may require exceptions: research laboratories, board meetings, conference rooms, etc. This process enforces screen timeout and will not affect anything running in the background. Exceptions can be requested and tracked through the ITS Help Desk. Formal communication plan to be implemented after approval through University Council, including an email from Karen King to faculty and staff asking them to confirm working computers on go live date. Karen King called for a motion to approve with added communication plan. Bill Hemphill moved for approval, with a second from Deborah Dotson motioned. All present voting members were in favor.

- c. Data Governance Subcommittee – Karen King and Joe Chappell

Data Governance Subcommittee charge document included in ITC Teams site. Karen King will send official invitation to subcommittee members. Karen King called for a motion to approve charge document and membership. All present voting members were in favor.
