i. Susan McCracken

**Presentation on “ETSU’s Quality Enhancement Plan: Community-Engaged Learning”**

**5 year group project and is a student learning initiative with a focus on undergraduate student success.**

**Dr. McCracken explained what the elements of a successful QEP. She wants it to be focused on student outcomes and it be able to actually happen. A timeframe of the QEP was submitted and the university will get feedback. A proposal will be submitted, and a site visit will occur in the spring. The topic this year is “Community-Engaged Learning.” Students engage in activities that address human and community needs together with structured opportunities for reflection designed to achieve desired learning outcomes.**

**Student Learning Outcomes were set in place to achieve the goals of the program. They want these experiences to have an impact of our future aspirations. Whether it be a direct career or finding what you like, it is in place to help students. Lastly, they want us to understand where people outcome and the people of our community. The leadership team of QEP was announced.**
