6. Discussion Items

- a. ERP update
 - i. Karen, Lori and BJ are meeting with Oracle, UT contract has been signed, HR/Finance/Payroll estimated cost is around \$800k/year, committees and project teams being gathered, met with Vanderbilt rep that implemented Oracle and an Oracle rep that worked with Wyoming during implementation, RFP is out for a deployment partner, have secured an advisor to work directly for ETSU with Karen, Lori and BJ during early steps.
- b. Housing Managed Services Update
 - i. Ticket report card from the beginning of the semester showed several calls which have been resolved, there was an outage after service began, most are happy with the service.
- c. Admin Access
 - i. Gave an update to Faculty Senate on February 21st.
- d. Security Update (Ransomware in Higher Education)
 - i. Gave an update to Faculty Senate on February 21st; Pellissippi State lost all information on servers due to a compromised email account except for Banner (was in Cloud), O365, OneDrive and Mac's; MakeMeAdmin software installed on computers allows user to run as a standard user and elevates privileges when needed to keep everyone from running as admins all the time, first step, concern is a false sense of security, to complete before faculty/students leave for summer, communication to be sent out.
- e. Web Team
 - i. Moving to the Office of University Marketing and Communications April 1st.
- f. Online Discussion
 - i. Huron report follow up meeting with Provost who is developing a list for online programs.
