TBR Proposal Certificate in Public Health—Debbie Dotson & Amy Swango-Wilson
http://etsuis.etsu.edu/CPS/forms.aspx?DispType=OutputForms&NodeID=5_2a&FormID=11&Instance=3671

Dr. Wykoff addressed the concerns expressed by the committee at its March 31, 2010 meeting.

At the end of the meeting, the committee would like for the creator to:

1. Not use the term “degree completion program” in the proposal since this term has a meaning that does not apply to this proposal;
2. Explicitly state how the prerequisites will be handled for those students in the cohort (e.g. Include a statement that cohort students would not be required to take the prerequisite courses in order to work on the certificate. Be sure to spell out what will happen regarding the prerequisite courses if students decide to pursue a degree at a later date.)
3. Include a description of the application process (Marsh Grube suggested adding an application form as an appendix);
4. Change No. 3 for “Admission, Retention, and Graduation Requirements” since it is not equivalent to Nos. 1 and 2.

Page made a motion that the committee endorse the idea of a Certificate in Public Health but send the proposal back so the department can consider our concerns concerning the admission policy and prerequisites. Seconded by Green and passed by acclaim.

4. Other Business.

5. Adjournment.

A motion was made by Buerkle at 4:10 to adjourn, seconded by Davis with all in favor.

Respectfully submitted by Kathy Campbell
