Johnson City, Tennessee

The East Tennessee State University Board of Trustees Audit Committee met at 9 a.m. on Friday, September 21, 2018, in the Reece Museum on the ETSU campus.

**I. Call to Order**

Mr. David Golden, chair of the Audit Committee and vice chair of the Board of Trustees, called the meeting to order at 9:02 a.m.

**II. Roll Call**

Board of Trustees Secretary Dr. David Linville led the roll call. Trustees in attendance were:

Dorothy Grisham  
Ron Ramsey  
David Golden

Guests at the meeting were Becky Lewis, chief internal auditor; Martha Stirling, internal auditor; Dr. Brian Noland, ETSU president; Kristen Swing, director of communications; James Batchelder, assistant dean for fiscal affairs, College of Clinical and Rehabilitative Health Sciences; Dr. Lauren Collier, Tennessee Higher Education Commission; and Joe Smith, executive assistant to the president for University Relations (taking minutes).

**III. Approval of Minutes of the Audit Committee from April 27, 2018**

The minutes of the April 27, 2018 meeting of the Audit Committee were presented and approved.

**IV. Quality Assurance and Improvement Program**

Trustee Golden requested to move this topic up from agenda item VII to agenda item IV to allow for sufficient discussion time. Ms. Rebecca Lewis presented a summary of the recent Self-Assessment review in June 2018 followed by the Independent Validation in August 2018. It is required by the Institute of Internal Auditors (IIA) to periodically complete self-assessments and have an independent validation every five years. Through the self-assessment, ETSU identified a few areas that presented opportunities for improvement. These areas of improvement were not included in the report from the independent validators. The report from the independent validators showed that ETSU generally complies with all IIA standards, which is the best rating an Internal Audit department can obtain from its peers. The independent validators identified three opportunities for continuous improvement. One involves documenting in the audit report the date and person responsible for implementing recommendations. The second one involves the audit universe, which is used to develop our

audit plan, for the College of Medicine. The independent validators felt that ETSU needs to identify auditable areas within the College of Medicine and include them in the university. The final one had to do with making sure the Information Technology Auditor had relevant training and to include more IT audits on the plan.

ETSU's responses were included in the report within the audit provided at the meeting. Some of these actions can be easily accomplished, while others may be more difficult based on limitations with staff.

A discussion by committee members took place regarding the various types of IT audits that ETSU might conduct. These might include security audits, firewall audits, or high-level IT audits. Dr. Noland suggested we ask Dr. Karen King and Andrea Di Fabio to identify areas within our IT system that might present the highest risk. In follow-up to the report on the College of Medicine, President Noland recommended that the College of Medicine be included on the audit universe and that we begin by identifying the areas that we could audit and then determine which present the highest risk.

## **V. Audit Plan**

The Audit Plan for fiscal year 2019 was presented for approval. This was provided to Trustee Golden prior to the July 1 meeting in order to obtain preliminary approval at the start of the fiscal year. The committee approved the plan and made a motion to ratify any previous work for the plan that was already done. That motion passed as well.

## **VI. Audits and Investigations Performed**

Five completed audits were presented, with three not having any issues or concerns noted. These were the men's soccer expenditures, the National Automated Clearing House Association (NACHA) website transaction data, and the state audit follow-up. Our prior state audit report had two findings, and the follow-up revealed that corrective action had been taken. The other two audits were requested by the College of Nursing. One involved financial procedures, and the other involved patient safety. The audit on financial procedures revealed supporting documentation was not always prepared and maintained. In addition, the fee schedule used did not always match the approved fee schedule. The audit on patient safety revealed improvements were needed in regard to privileging and credentialing, follow-up appointments, and the physician's review of charts. Details for those audits were included in the executive summary, and full reports are available upon request.

In addition to the five audits, ETSU completed three reports related to investigations. The first was from the Office of Student Support Services in the College of Nursing. Two reports were issued. The first involved a non-exempt employee who had claimed to have worked overtime without compensation for years. While the investigation did show she may have worked outside her normal schedule, there were also concerns about unrecorded leave and abuse of FMLA. The second report involved some inappropriate Procard purchases of another employee within the department.

The third report was for a payroll services fraud that involved two employees who had responded to a phishing email that gave fraudsters access to their email and allowed them access to communicate with ETSU's Payroll office. The university was able to recuperate a portion of the diverted funds.

Ms. Lewis also presented an overview of the Audit Heat Map.

#### **VII. Recommendation Log Status as of August 31, 2018**

A copy of the Recommendation Log was shared revealing that many follow-up reviews have been completed since the last meeting. Several other projects should be completed by the next meeting.

#### **VIII. Annual Report on Audit Activity FY 2018**

Ms. Lewis shared a copy of the annual report for the Department of Internal Audition for the 2018 fiscal year. The report provides information to the Board of Trustees concerning 2018 audit efforts. Highlights of the report included a listing of all audits that were issued or were in progress during the year, the implementation of a new customer satisfaction survey process, the development of a fraud training presentation, and the results of a fraud risk assessment. The report also included mandatory disclosures that must be made as part of IIA Standards.

#### **IX. Other Business**

Trustee Golden asked if there were any additional business items. Given there were none, the meeting adjourned and the committee moved into executive session.

ITEM: Audits and Investigations Performed  
COMMITTEE: Audit Committee  
PRESENTED BY: Rebecca A. Lewis, CPA  
Director of Internal Audit

Ms. Lewis will provide an overview of the audits and internal investigations completed during the time period September 1 to October 31, 2018. Those audits and investigations follow:

**Audits:**

- Football Expenditures - An audit of East Tennessee State University's Football Expenditures was conducted by Internal Audit personnel in accordance with the Annual Audit Plan. At the request of administration, the Office of Internal Audit will conduct an audit of head coaches at the end of their employment. In December 2017, Football's Head Coach (Coach) resigned.
- President's Expenses - An audit of the President's expense was conducted in order to comply with Tennessee Code Annotated, Title 49, Chapters 7 and 14, by performing an internal financial audit for the fiscal year July 1, 2017 to June 30, 2018. The objectives were to determine compliance with state statutes and institutional policies regarding expenses and to identify and report all expenses made by, at the direction of or for the benefit of the President regardless of the funding source.

**Investigations:**

- Physical Therapy (FWA 19-03) - An investigative review of the Physical Therapy Department was conducted due to concerns over the revenue collection process at two-student led events. In August 2018, Physical Therapy contacted Foundation Accounting regarding the use of a Square device for their upcoming golf tournament. A Square allows smart phone or tablet owners to accept and receive debit/credit card payments. The use of a Square, or other similar devices, is not allowable method for collecting revenue. After the weekend golf tournament was complete, Foundation Accounting discovered that a Square was used to collect funds the day of the event as well as at a previous student-led party known as the PhysioBall.

Executive Summary**

<b>Key Staff Person:</b> Former Football Coach	<b>Auditor:</b> Assistant Director of Internal Audit
<p><b>Introduction</b></p> <p>An audit of East Tennessee State University’s Football Expenditures was conducted by Internal Audit personnel in accordance with the Annual Audit Plan. At the request of administration, the Office of Internal Audit will conduct an audit of head coaches at the end of their employment. In December 2017, Football’s Head Coach (Coach) resigned.</p>	
<p><b>Objectives</b></p> <ol style="list-style-type: none"> <li>1. To evaluate the adequacy of the internal controls.</li> <li>2. To determine compliance with university policies and procedures.</li> <li>3. To make recommendations for correcting deficiencies or improving operations.</li> </ol>	
<b>Total Questioned Costs/Losses:</b> None	<b>Total Recoveries:</b> N/A
<p><b>Findings</b></p> <p>Finding 1: <u>Procedures related to Procard use needs improvement</u></p> <p>During the course of the audit, it was discovered that adequate procedures for Procard purchases were not always followed. While the expenditures were valid, the policies were not always followed as it relates to the type of expenditures that can be paid using a Procard. Failure to follow proper procedures could result in incurring expenses that violate the University’s purchasing and/or Procard use policies. Athletic Administration is taking appropriate steps to ensure Procard policies are followed. Athletics would, however, like to request a meeting with Financial Services to discuss the possibility of changing the Procard policy, which would allow each team to utilize one procard per sport rather than multiple cards.</p> <p>Finding 2: <u>Procedures related to volunteers needs improvement</u></p> <p>During the course of the audit, it was discovered that proper procedures regarding volunteers were not always followed. A vehicle was rented by a Football volunteer for a recruitment trip in two instances. While it does not appear the volunteer went on the trip, he did rent the vehicle for the Director of Football Operations (DFO). According to a comment in eBucs, ETSU’s purchasing system, the volunteer rented the car and drove it from a local Enterprise Rent-a-Car company to the ETSU campus for the DFO’s use. Based on Personnel Policies, volunteers cannot enter into any agreements with an outside vendor. In addition, volunteers should not be allowed to drive a rental or state-owned vehicle without prior written consent of the President. It was also noted that the volunteer had not completed a volunteer agreement as required by policies. Athletic Administration is taking appropriate steps to ensure the university’s volunteer policies are followed.</p> <p>The objectives of the audit were met.</p>

**Audit of President's Expenses**  
**For the Fiscal Year July 1, 2017 – June 30, 2018**

<b>Objectives</b>	To comply with Tennessee Code Annotated, Title 49, Chapters 7 and 14, by performing an internal financial audit of the Office of the President for the fiscal year July 1, 2017 to June 30, 2018; to determine compliance with state statutes and institutional policies regarding expenses; and to identify and report all expenses made by, at the direction of or for the benefit of the President regardless of the funding source.																																		
<b>Scope</b>	The audit included all accounts under the direct budgetary control of the President, whether funded by institutional funds, foundation funds or external sources and other accounts as necessary. The audit was conducted in accordance with the <i>International Standards for the Professional Practice of Internal Auditing</i> , issued by the Institute of Internal Auditors and included tests of the accounting records and such other auditing procedures considered necessary.																																		
<b>Analysis</b>	<p>Financial Services along with the President's Office prepares a detailed annual expense report of the President's Office. These schedules were reviewed and verified for accuracy and completeness during the audit. The following is a summary by funding source of (1) certain expenses made by, at the direction of, or for the benefit of the President, and (2) salary and benefits and any other operating expenses for the President's office during the fiscal year ended June 30, 2018:</p> <table border="1" data-bbox="393 886 1518 1213"> <thead> <tr> <th></th> <th style="text-align: right;">Institutional</th> <th style="text-align: right;">Foundation</th> <th style="text-align: right;">Total</th> </tr> </thead> <tbody> <tr> <td>Salary &amp; Benefits – President &amp; Staff</td> <td style="text-align: right;">\$ 724,394.63</td> <td style="text-align: right;">\$ -</td> <td style="text-align: right;">\$ 724,394.63</td> </tr> <tr> <td>Travel – President</td> <td style="text-align: right;">32,219.37</td> <td style="text-align: right;">-</td> <td style="text-align: right;">32,219.37</td> </tr> <tr> <td>Travel – Other Personnel</td> <td style="text-align: right;">11,697.01</td> <td style="text-align: right;">8,423.34</td> <td style="text-align: right;">20,120.35</td> </tr> <tr> <td>Business Meals &amp; Hospitality</td> <td style="text-align: right;">31,789.47</td> <td style="text-align: right;">44,248.95</td> <td style="text-align: right;">76,038.42</td> </tr> <tr> <td>Other Expenses of the President</td> <td style="text-align: right;">68,957.98</td> <td style="text-align: right;">-</td> <td style="text-align: right;">68,957.98</td> </tr> <tr> <td>Miscellaneous Operating Expenses</td> <td style="text-align: right;">80,129.97</td> <td style="text-align: right;">49,202.04</td> <td style="text-align: right;">129,332.01</td> </tr> <tr> <td>Total Expenses</td> <td style="text-align: right;"><u>\$ 949,188.43</u></td> <td style="text-align: right;"><u>\$ 101,874.33</u></td> <td style="text-align: right;"><u>\$ 1,051,062.76</u></td> </tr> </tbody> </table> <p><b>Additional Disclosures:</b>  <b>Salary and Benefits</b> – Salary and Benefits for the President totaled \$392,169.47 and includes the Discretionary Allowance and Vehicle Allowance.  <b>Discretionary Allowance</b> – The President was provided a discretionary spending allowance of \$5,000 for the period. ## MEMORANDUM

**TO:** ETSU Board of Trustees' Audit Committee

**FROM:** Becky Lewis, Director of Internal Audit *B. Lewis*

**SUBJECT:** Completed Investigations – September 1 - October 31, 2018

**DATE:** November 16, 2018

Below is a summary of the investigations completed from September 1, 2018 – October 31, 2018.

### ***Physical Therapy (FWA 19-03):***

The investigation revealed that proper controls and procedures were not always followed for two student-led events related to cash receipts, purchasing, and the deposit of funds. Unallowable methods of collecting funds were used including a smart phone device and mobile app. Revenue received from the events could not be verified due to the lack of receipts or other supporting documentation. In addition, expenses were sometimes paid from the revenue received prior to deposit and not always supporting by sufficient documentation. The audit revealed \$953.32 of net income was collected through unallowable methods. Of this amount, \$904.87 has now been deposited into an appropriate account. The department is planning to collect the remaining funds of \$48.45. Management is taking appropriate steps to help ensure proper procedures and controls are in place for future events.

Mr. David Golden, chair of the Audit Committee and vice chair of the Board of Trustees, called the meeting to order at 10:46 a.m.

**II. Roll Call**

Board of Trustees Secretary Dr. David Linville led the roll call. Trustees in attendance were:

Dorothy Grisham

Ron Ramsey

David Golden

Other Board of Trustees members present were Dr. Linda Latimer, Scott Niswonger, Jim Powell and Dr. Fred Alsop.

Guests at the meeting were Becky Lewis, chief internal auditor; Martha Stirling, internal auditor; Dr. Brian Noland, ETSU president; Dr. Lauren Collier, THEC representative; James Batchelder, assistant dean for fiscal affairs, College of Clinical and Rehabilitative Health Sciences; Dr. Karen King, chief information officer; and Joe Smith, executive assistant to the president for University Relations (taking minutes).

**III. Approval of the Minutes of the Audit Committee, September 21, 2018**

The minutes of the September 21 Audit Committee meeting were presented. Trustee Ramsey made the motion for approval and Trustee Grisham seconded the motion. Minutes approved.

**IV. Audit Worked Performed September through October 2018**

Ms. Lewis discussed two audits and one investigation that have been completed since the last Audit Committee meeting. At the request of President Noland, an audit of an athletic program is performed any time a head coach leaves the program. With the December 2017 retirement of Head Football Coach Carl Torbush, an audit of the

football program was conducted. Two minor issues were identified. One involved a valid purchase that was made with a procurement card, and the other was related to a volunteer who was allowed to rent a car. That same volunteer also did not have a volunteer agreement on file.

The second audit was the president's audit, which a state statute requires be conducted annually. The audit focuses on expenditures made by, at the discretion of, or for the benefit of the President. The audit revealed no statutory or policy violations, material omissions from the expense report, or deficiencies in internal controls.

An investigation was conducted in the Department of Physical Therapy based on concerns over revenue collections for student-led events. A Square device and a cell phone app were used to collect payments for these events, which is a violation of university policies. In addition, revenues for the events could not be verified due to lack of supporting documentation. Overall, the audit revealed \$953.32 in net income that was collected through unallowable methods. No evidence of fraud was discovered. The department is making changes in procedures and is educating students on proper procedures.

A completed audit heat map was also provided.

#### **V. Recommendation Log Status as of October 31, 2018**

Ms. Lewis reported on two follow-up reviews since the last audit committee meeting. These included the PCI Questionnaire which has been completed. Staff is working to address a few concerns that were identified.

#### **VI. Internal Audit Salaries**

Information on salaries of the ETSU Internal Audit staff were included in the meeting packet. Vice Chairman Golden noted that the committee's charter requires these salaries be reviewed and approved by the committee. He noted that it is important that these salaries be comparable to the market. Trustee Grisham made a motion for approval, and Trustee Ramsey approved the motion.

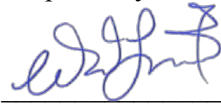

#### **VII. Internal Audit Operating Expenses**

Information on current operating expenses for Internal Audit was included in the packet. Since the time that information was submitted, a one-time budget allocation of \$5,000 was added for the QAIP.

#### **VIII. Other Business**

No other business items were brought forward. The Audit Committee concluded its meeting and moved into executive session.
