## MEMORANDUM

TO: All Faculty Senators and Senators-Elect

FROM: Elections Committee

SUBJECT: Brief Senator Biographies

DATE: April 4, 1997

The Faculty Senate Elections Committee urges each faculty senator to comply with our request that you submit a brief biographical summary of your university activities and service, as well as research interests, for the Faculty Senate Homepage. We also urge you to give us permission to include your ETSU i.d. photo along side of you biographical information. With the advent of the homepage, we have a unique opportunity to share information about ourselves with the colleagues we represent, as well as the institution at large. There are many faculty on this campus who do not know faculty outside their departments or discipline, let alone know who are faculty senators. By submitting information for inclusion on the homepage, we will also be able to reach a wider audience for our senate activities. We are only asking that you take a few moments to summarize your activities at ETSU - such as, types of courses you teach, committee service, research or personal interests, etc. Through this, we may find that we share many interests with our fellow senators outside the realm of our own departments and be able to form alliances in support of opportunities for various projects.

Please submit your information to Stephen Patrick, Secretary, at x6994 or [patrick@etsu-tn.edu](mailto:patrick@etsu-tn.edu) by April 20th (or sooner, if possible).

Thanks for your cooperation on this project.
